

Offshore Wind Task Force Renewable Energy Technical Working Group

June 2023

Main Objectives

“...to identify examples of best practice and provide recommendations for key issues that is critical to the development of offshore wind project in Viet Nam.”

Principles of Task Force

- GIZ will provide logistical and financial support for the organisation of Task Force meetings and the Task Force Lead will summarize the main findings and policy recommendations in a final report for submission through the TWG2 to the VEPG Steering Committee
- Cost for members of Working Teams and Task Force from international organizations for participating in the meeting and preparing the reports is born by each organization.
- Each member of the Task Force will lead in at least one topic. The Task Force need to reach agreement on the report before submitting to VEPG TWG, SC and HLM.
- Experts from industry and elsewhere will be invited to present on key topics as necessary either to the full Task Force or to the individual Working Teams

Task Force Members

Task Force Lead - GIZ

- Mr. Sven Ernedal, Task Force Lead
- Mr. Henri Wasnick
- Ms. Bui Ngoc Thuy

Task Force Key Members/Expert Contributors

- Ms. Chiara Rogate, Senior Energy Specialist, World Bank, Viet Nam
- Ms. Sharissa Funk, Sector Counsellor Energy, Embassy of Denmark
- Ms. Lucy Wallace, interim Climate Counselor, British Embassy
- Mrs. Mette Møglestue, Deputy Head of Mission, Norwegian Embassy
- Mr. Benjamin Davis, First Secretary, Australian Embassy
- Mr. John Rockhold, Head, Working Group Power and Energy, Viet Nam Business Forum
- Mr. Bui Van Thinh, Binh Thuan Wind and Solar Energy Association
- Mr. Mark Hutchinson, Global Wind Energy Council (GWEC)
- Mr. Bui Vinh Thang, GWEC Viet Nam
- Ms. Sunita Dubey, Global Energy Alliance for People and Planet
- Mr. Dao Xuan Lai, Head of Climate Change and Environment, Delegate of UNDP
- Southeast Asian Energy Transition Partnership (pending)

Invited Members/Experts

- Mr. Nguyen Quang Minh – Director of ERAV Center for Training and Electricity Market Development Research, ERAV, MOIT
- Mr. Nguyen Manh Son – Expert of Industrial Economy – Ministry of Planning and Investment (MPI)
- Mr. Nguyen Ngoc Son, Director of Sea and Island Basic Investigation Management Department, Ministry of Natural Resources and Environment (MONRE)
- Mr. Le Hoang Nam, Expert of Electricity Market Department, EVN
- Mr. Nguyen Thanh Le – Deputy Director of Renewable Energy Unit, Electricity and Renewable Energy Department, PVN
- Mr. Vu Ngoc Duc, Deputy Director of Renewable Energy Center, Institute of Energy (IoE)
- EREA, MOF and MOD: has not confirmed yet.

Updated Deliverables, Milestones and Roles

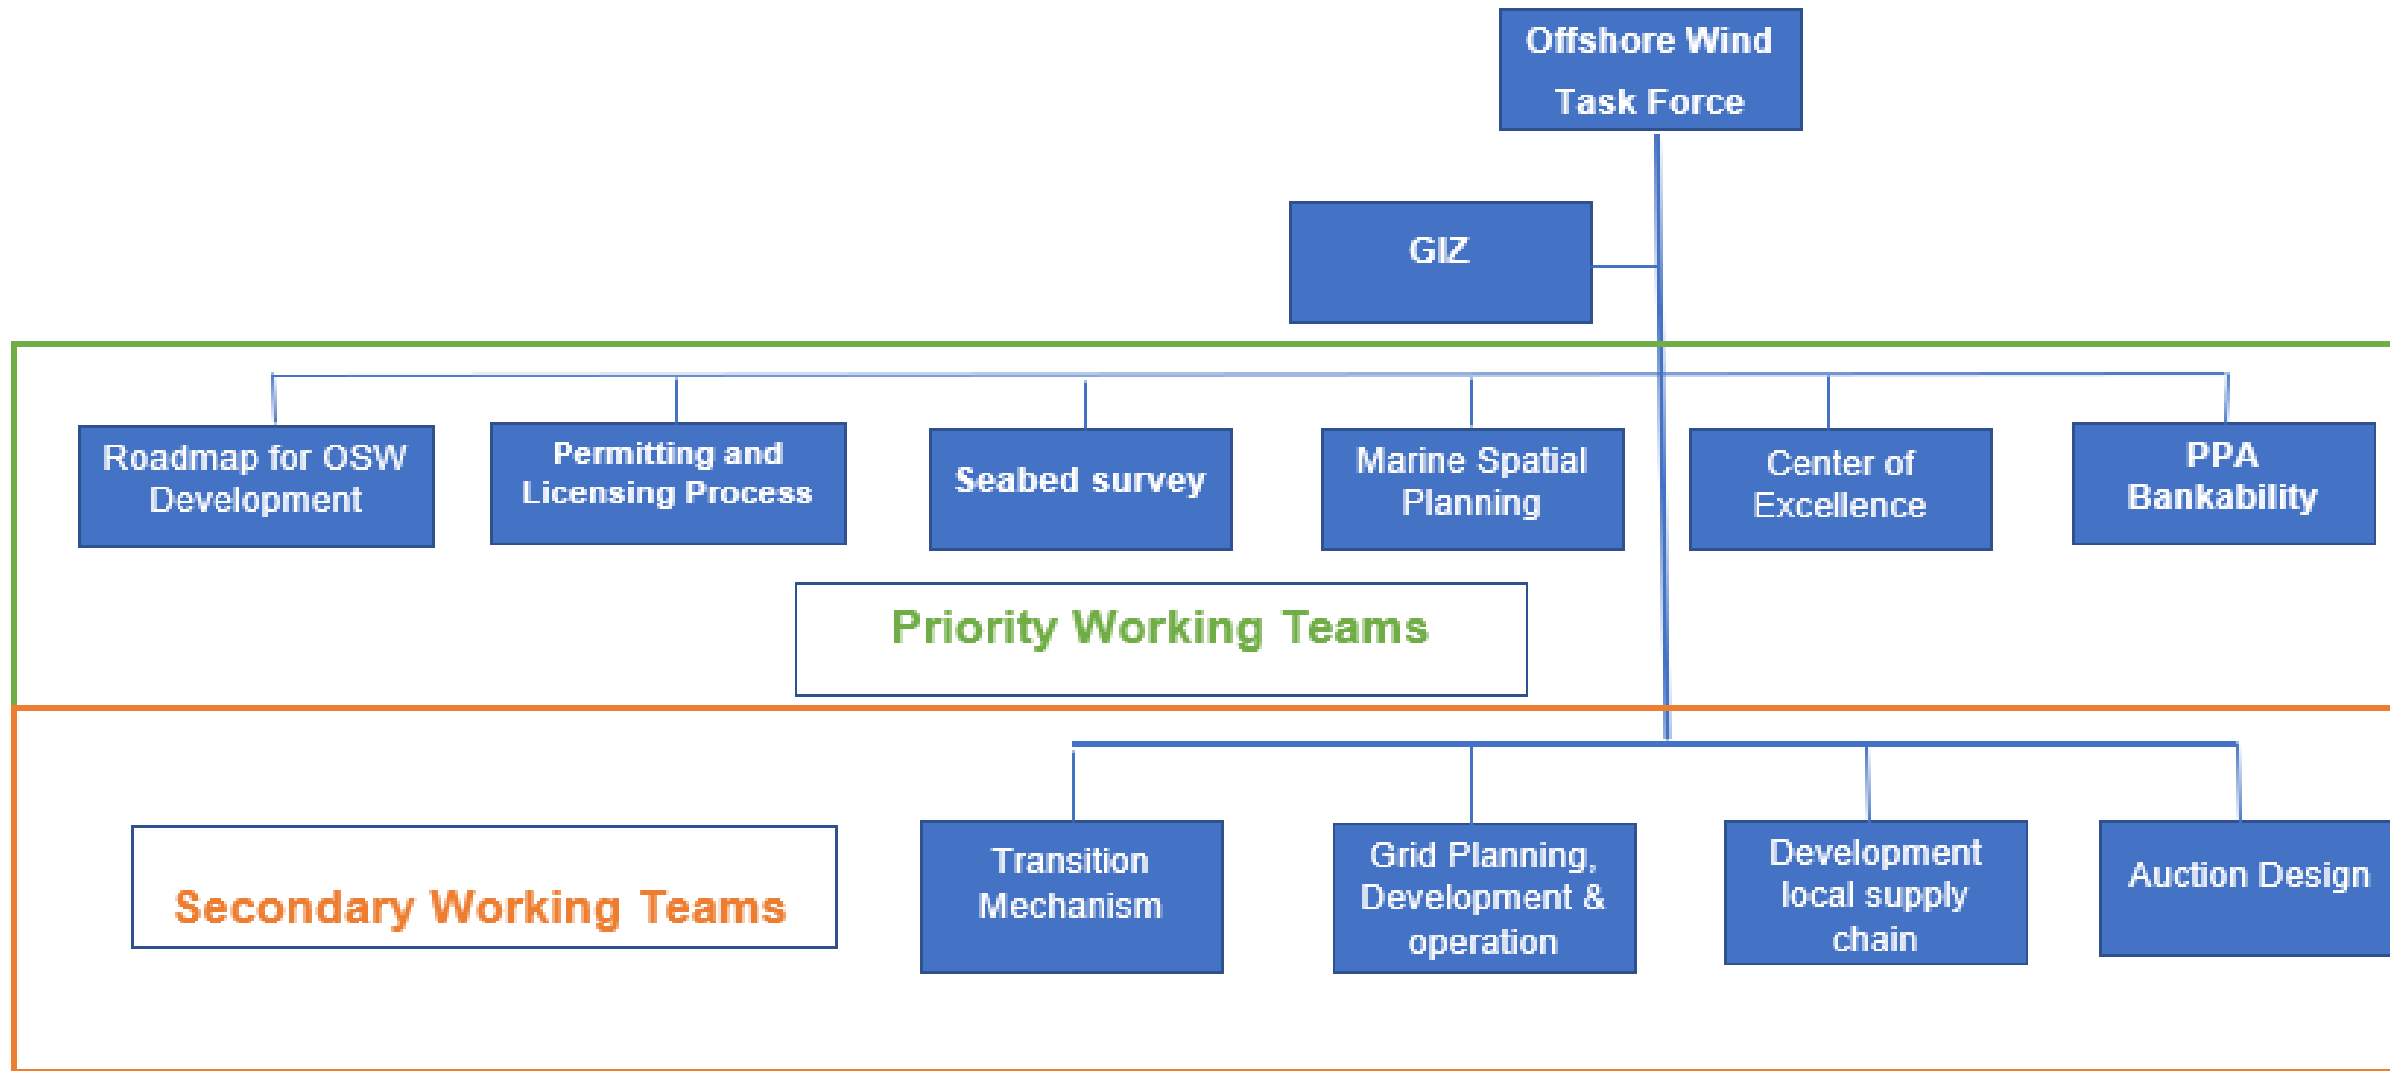

Meeting	Date	Topics
OSW TF - Kickoff meeting	15 November 2022	<ul style="list-style-type: none">• Introduction of Task Force and its members• Agreement on the needs and principles of the TF
OSW TF – 1 st meeting	12 January 2023	<ul style="list-style-type: none">• Presentation identified key issues/obstacles regarding the permitting of seabed survey for offshore wind project in Viet Nam and possible international experience as solution
OSW TF – 2 nd meeting	15 March 2023	<ul style="list-style-type: none">• Update on the offshore wind industry development• Discussion on possible transition mechanism for offshore wind
OSW TF – 3 rd meeting	27 April 2023	<ul style="list-style-type: none">• Presentation of scoping exercises on first prioritized topics• Assign responsibilities for priority topics to TF members.• Approval of work plan
OSW TF – 4 th meeting	25 May 2023	<ul style="list-style-type: none">• Update on the progress of offshore wind industry• Exchange and agree on draft of Discussion Paper on the Offshore Wind Pilot Project in VietNam, considerations for JETP Resource Mobilization Plan

In principle, the Task Force agrees to meet monthly to update on the progress of studies and relate issues to the topics.

Updated Deliverables, Milestones and Roles (cont.)

Event	Organizer	Date
Consultation workshop on Marine Spatial planning	World Bank	6-9 March
The report from the OSW TF to the VEPG TWG 2 meeting	GIZ	09 March
Promoting Viet Nam's offshore wind power development: international practices and policy recommendations	Danish Embassy	16 March 2023
Design plan for grid connection requirements	Viet Nam Business Forum	17 March 2023
High level meeting on Banking, IT & Power Energy with Private Sector	Viet Nam Business Forum	19 March 2023
Seabed licensing	British Embassy	21 March 2023
Center of excellence stakeholder meeting	British Embassy	22 March 2023
Workshop to discuss the technical assistance with the MOIT (EREA & ERAV) and EVN regarding grid connection/ grid transmission	British Embassy	28 March 2023
Consultation workshop on Marine Spatial Planning	Norwegian Embassy	April 2023
Accelerating mechanism and permitting process of OFW	GWEC	Last week of April
Getting finance for offshore wind	GWEC	Last week of May 2023
Grid connection, operational management and technical aspect of Offshore Wind	GIZ	01 June 2023

Updated Structure of Task Force

Task Force as an efficient tool to mobilize TA

- Ensures an open exchange among Task Force Members to optimize the use of available Technical Assistance activities
- Avoids duplication of resources on same topic
- Ensures fast and transparent dissemination of information on related topics
- Focused and specific solutions for challenges and barriers
- Cost effective
- One voice, different perspectives
- Organizes consultation workshops and meetings with different group of stakeholders
- Presents best practices to overcome challenges and barriers to decision makers
- Supports the mobilization of technical support and financial resources from Development Partners, Just Energy Transition Partnership and private sector

Closing Remarks

Mr. Sven Ernedal , Chief Technical Advisor, GIZ – Task Force Lead
